Notes:

Each Party Leader will need to bring a completed Group Monitoring Form for each session and hand it to a Horizons staff member on arrival. This allows us to keep an accurate record of who we take on the water and if there any medical or other reasons why individual participants believe they may require some special consideration.

The party leader will need to sign the declaration on the Group Monitoring form, which reads as follows:

If there any medical or other reasons why the participant believes they may require some special consideration, please provide details in the Further Information Section. e.g. Do we need to know about any SEN coping strategies, or any medical information?

Please call us in advance if you are think that any information that has been declared will impact upon the person's ability to take part. We may just need to consider the most suitable way of getting them afloat.

I declare to the best of my knowledge that these people are confident in water and fit to participate in sailing activities, and we have listed any relevant information in the section provided.

We have prepared a parental consent form to help gather the necessary details. The forms are available on the Procedures and Forms page of our [website](#):

Please read the terms and conditions overleaf before signing.

I confirm that I am over 18 and have read the Terms and Conditions relating to this booking and am signing to accept them.

Cancellations

We recommend that you take out insurance to cover yourself or your group against loss or damage to personal possessions, unavoidable cancellations or personal accident or illness beyond your control.

Cancellation by you: Cancellations must be in writing and will date from the day received by Horizons (Plymouth). For a cancellation made more than 4 weeks before the start date, the deposit will be retained and any balance paid will be returned. For a cancellation made within 4 weeks, all payments will be retained and any outstanding balance will still be due unless we are able to re-let your booking. It may be possible to transfer onto another course, or to another mutually agreeable date. All refunds and transfers are subject to a 10% administration fee.

Cancellations by us: Every attempt will be made to ensure that your course or event actually runs. However, Horizons (Plymouth) reserves the right to cancel our provision should circumstances dictate, including where numbers fail to meet a workable minimum. In this unlikely event, you will be offered transfer to an alternative date or a full refund.

Weather limitations: When an event is cancelled due to adverse weather conditions that would affect safety, this is likely to be at short notice (possibly on the day of the event itself), an alternative mutually agreeable date will be offered but no refund will be given.

Resource limitations: in the event that Horizons is unable to run an event or course due to essential equipment or vessels being unavailable for whatever reason, we will attempt to re-schedule the activity. If this is not possible a full refund of monies paid will be made. Horizons liability will be limited to the refund of monies actually paid.
